

CHEMISTRY LEVEL 2

MRS. PITTENGER

Materials for Class:

- One-3-Ring Binder (**you must purchase**), pencil case (**you must purchase**), folder (provided for you), and a writing utensil (**you must purchase**).
 - Bring Binder, folder, and writing utensil to class everyday.
- Textbooks: 2 different class sets
 - There will be a class set of the red *Active Chemistry* book.
 - There will be a class set of the blue *Chemistry Concepts and Applications* book.
- Hair band (for students with shoulder length hair or longer)

Student Behaviors:

- Be prompt
 - Be ready to learn as soon as you enter the door.
 - Be seated and begin "Warm-Up" before the bell rings.
 - Tardiness is unacceptable. Students shall be on time for class everyday.
- Be prepared & productive
 - Have materials with you and know due dates.
 - Turn in work on time, and always do your best.
- Be a polite and positive participant
 - Never use vulgar language.
 - Give others a chance to speak without interruption.
 - Do not leave the classroom without a pass or permission.
 - Wait until I dismiss you and not the bell. Stay seated until I dismiss you.

Show Respect:

- Value yourself. Be honest and ethical, and practice strong moral values.
- Respect teachers, administrators, classmates, and **YOURSELF**.
- Honor the ideas and opinions of others.
- Offer to help

Responsibility for Coursework:

- Bring all tools for **LEARNING** to class everyday: binder, folder, pencils, and assignments.
- Know due dates, and submit all coursework on time.
- Absentee work is **YOUR** responsibility. For everyday you are absent you have that amount of time to make up the work. It is very important that it is made up in a timely fashion because the alternate assessments for this course depend on having all of the work completed.
 - If you miss a quiz or test, it is made up the next day that you are in class. No exceptions.
 - If you miss a lab or activity, it will be made up during designated class times.
